And the many, many committee volunteers as well as the volunteers
who helped the evening of the event.

"Many hands make light work..."

We want to once again thank the many community members who over the past 25 years
have helped to make this hospital fundraiser a very special community event. Whether you
sponsored the event, had an ad in the program book, donated or purchased an auction item,
volunteered on a committee or came and ate a lobster, you were instrumental in helping
Brattleboro Memorial Hospital raise a total of over \$850,000—dollars that helped to provide
quality care for our patients. THANK YOU!
