

How to Get the HealthLife App

**You must already be signed up with a BMH patient portal account to log in to the HealthLife app.*

1) Search for "HealthLife" in your phone's app store.

2) Open up the app and "Sign in to your account"

3. Enter your patient portal login information. You will then be able to access your health information!

A screenshot of the HealthLife sign-in form. It features the HealthLife logo at the top. Below the logo are two input fields: "Email address or username" and "Password". There is a green "Sign In" button with a lock icon and a blue "Forgot Password?" link. At the bottom, it says "Secure health identity provided by: CernerHealth" and "HealthLife uses Cerner Health to provide a secure username and password used to access your patient information." There are also navigation arrows and a refresh icon at the very bottom.
